Green DMV, Inc.

Dear Friends:

On behalf of the Commonwealth of Virginia, I extend my heartiest congratulations to the Green DMV, Inc. on winning the U.S. Environmental Protection Agency's mid-Atlantic regional environmental achievement award.

Your organization's commitment to create green jobs for low-income communities is worthy of special recognition and is a significant step toward the betterment of our society and improvement of the quality of life for all. The Green DMV, Inc. serves as an example of how to be successful in providing essential employment skills trainings and job placement services while harnessing environmentally sound practices that benefit those on the margins as well as our community at large. I commend you and your employees for your hard work dedicated to the cause of serving those in need and promoting responsible environmental stewardship.

Further, this prestigious award is a well-deserved recognition of your contributions as a prudent environmental and conservation leader. My administration is committed to creating opportunities that is conducive to activities and practices that promote sustainable environmental stewardship for all Virginians. Our strategies include conservation of diverse Virginia natural resources, developing renewable energy sources, streamlining state agencies migration to frugal energy and resources consumption, and providing sensible incentives for employers who eliminate environmental waste and create green jobs so that Virginians stay competitive and dwell in a healthy and safe environment in the 21st century.

Again, congratulations on being chosen for this award and best wishes for continued success.

Sincerely,

A handwritten signature in black ink, appearing to read "Robert F. McDonnell".
